RE: Petition of South Carolina Electric & Gas Company for authorization to defer incremental operation and maintenance expenses that will be incurred as a result of complying with certain requirements promulgated by the United States Nuclear Regulatory Commission; Docket No. 2012-277-E

Dear Ms. Boyd:

By Order No. 2012-780, dated October 25, 2012, issued in the above-referenced docket, the Public Service Commission of South Carolina ("Commission") authorized South Carolina Electric & Gas Company ("SCE&G" or "Company") to defer and record as a regulatory asset up to \$3,000,000 in incremental operation and maintenance expenses that SCE&G will incur as a result of complying with certain requirements promulgated by the United States Nuclear Regulatory Commission. As part of its order the Commission stated, "[t]he Company shall provide to the Commission and to ORS quarterly updated reports of the deferral of any associated incremental operation and maintenance expenses." See Order No. 2012-780 p.5. The purpose of this letter is to provide the Commission and ORS with a status update of the deferral account.

As of September 30, 2013, the incremental operation and maintenance expenses booked to the deferral account totals \$1,714,628.

By copy of this letter, SCE&G is providing the South Carolina Office of Regulatory Staff with this status update of the deferral account.

The Honorable Jocelyn G. Boyd
